Lilac Lullabies

NEWSLETTER – SEPTEMBER 2025

KEY WORKER'S MESSAGE

A warm welcome to all parents and children of Lilac Lullabies.

My goals for your children in September had been to bond with them, make them learn good habits, adapt to routines of the nursery. This shall continue throughout the year. Thank you for your cooperation.

FOCUS OF THE MONTH

Through “Me and My Family” we have learnt together about your child and your family. We have focused to build their self-identity, self-esteem and confidence. We have strived to support them to talk freely about themselves and their family while learning about themselves.

EVENTS OF THE MONTH

The second week of September, we celebrated Literacy Week by introducing the children to the World of Books and Letters to develop curiosity and interest in reading and writing.

We take this opportunity to thank all the parents who attended the Parent Induction / Orientation on 20th September and we hope you enjoyed the Book Fair and the Mascot Show.

PARENT CONNECT

Routines are important for children because they foster safety, security, independence, and self-confidence by providing a sense of predictability and control in their day. Consistent daily schedules help children learn new skills, build healthy habits, manage their emotions, and improve their ability to cope with changes and adversity.

EVENTS OF THE MONTH

- Breast Cancer Awareness Program for mothers (first week of October)
- Monthly theme: "Animals" (World Animal Day - October 4th)
- Teacher appreciation event (second week, for World Teachers Day - October 5th)
